The ground-breaking Nomad 75 gives the feeling of being on a much larger yacht. With generous outside areas and a private sky lounge it is perfect for a long distance cruising in the utmost comfort. Taking things up a level, the boat boasts a definite highlight: the spacious owner's stateroom, unexpectedly located on the main deck, offering incredible 180-degree panoramic views out to sea. With four double guest cabins and extensive crew quarters, the 75 SUV is ideal for longer passage making. At the same time, an intelligent layout allows guests to interact with each other seamlessly, while guaranteeing privacy when required.
